 Tel/Fax: 1800 446 841 www.heia.com.au

- \* Full membership (\$110 incl. GST) necessitates a home economics qualification at Certificate IV or higher.
- \*\* Associate membership (\$110 incl. GST) necessitates study in home economics or related area at a level less than Certificate IV and/or work in an area of home economics.
- Not-in-paid employment (\$55 incl. GST)
- Student Membership (with journal) (\$55 incl. GST) is for full-time students who wish to receive the HEIA journal.
- Student (without journal) (\$27.50 incl. GST) is for full-time students who do not wish to receive the HEIA journal.
- Overseas Membership (\$110) – overseas members are affiliated to a Division of their choice.
- School Group Membership (\$330) entitles any one primary, secondary school or college or TAFE campus to nominate up to six (6) members of that school or college to be included in its membership of HEIA. Nominees need either a qualification in home economics, or work in a home economics related area such as health, technology or studies of society, or have interests and/or expertise such that their membership is seen to benefit the Institute. All nominees are able to take advantage of benefits offered by HEIA. School members receive only one copy of the journal and other publications.
- International Federation for Home Economics (IFHE) fees (\$70) are payable through HEIA.

## MEMBERSHIP YEAR

- If membership is received 1 November – 30 April, membership year is 1 January – 31 December.
- If membership is received 1 May – 31 October, membership year is 1 July – 30 June of next year.

## Membership

**application** *The Home Economics Institute of Australia is the peak professional body for home economics professionals in Australia. It represents the interests of home economists working in education, industry, community services, consumer affairs, and family and household management.*

The Home Economics Institute of Australia is a powerful voice for the home economics profession. It provides leadership, products and services to meet the professional needs of home economists, for example:

- Conferences, seminars and workshops designed by HEIA for home economics professionals
- HEIA Journals and newsletters
- Representation to state and commonwealth governments, industry and to other non-government organisations
- Forward-looking resources developed by HEIA
- Discounted publications
- Information from education, industry and publishers
- Links to other associations
- Advisory, research and project services on a consultancy basis
- Scholarships
