19<sup>TH</sup> - 21<sup>ST</sup> JANUARY 2011

The emphasis of this conference is on participation.

As Home Economics teachers we represent not only an important area of education but stand as role models to our students. With this in mind we are planning experiences for you that will carry through to the class room.

**Wednesday 19<sup>th</sup> January**

You may chose to join our visitors on a pre-conference tour, in which case you will need to settle into your room and prepare for the **Zero \$ Welcome Bash**.

Your entry fee is a photo and paragraph

explaining the metamorphosis of the outfit you are wearing. We hope you enter into the spirit of WEARING PRELOVED.

A record of the night will provide a valuable resource to inspire and encourage this concept. Appropriate prizes will be awarded.

Tickets will be available for partners or those not participating in the competition.
