

## Farewell to arms ...

Term 4 already? My how the year has flown by. With SACE and curriculum changes, the year has been especially busy.

Despite the hectic pace of the year we have had 2 great meetings the first at Regency Park Tafe and the second a catered dinner at Paradise Café.

We are gearing up to have a fantastic conference with opportunities for professional development and networking.

At the conference we will hold a brief AGM to elect for Executive Committee for 2011 and account for the year's events.

I have thoroughly enjoyed the opportunity to meet so many of you and get to know so many dedicated teachers. However, with recent changes in my own life I have decided that it is time to step down from the role of President and allow someone else the privilege of working along side Independent Schools in order to make our subject area the best it can be. Schools that are members are eligible to apply for positions within the

Executive Committee and I would encourage any one who would welcome the opportunity to meet other fellow Homecky's.

See you at conference, Annie

## Positions Vacant ...

In accordance with our Constitution, all positions on the Executive Committee will become vacant at the Annual Conference and will need to be filled. The positions include:

- President
- Vice President
- Secretary
- Treasurer
- Newsletter Editor
- Non-Teacher Representative
- North/East Teacher Representative
- South/West Teacher Representative

Several of the current Executive Committee members, including the President, will not be standing for re-election and we would love to see some new faces involved with our group. If you are interested in becoming the President and your school is a current financial member, according to the Constitution, it is necessary for to apply in writing to the current Executive Committee.
