

Don't forget to remember...

I hope that this newsletter finds you refreshed and relaxed after your holidays.

Knowing how busy we all are as Home Economic Teachers, I am attaching a reminder about the up and coming "Café and Coffee Night". It will be a great night of networking and professional development as we learn the art of making a great coffee from the best.

Below is the membership subscription form for the Independent Home Economics Teachers Group with the new contact details for our new Treasurer, Amanda Johnson.

I look forward to seeing you all and wish you all the best for Term 2.

Annie
